Australian Pregnancy Register for Women on Antiepileptic Medication

Phone: 1800 069 722 ... Fax: (03) 9342 2477... www.apr.org.au

This is a voluntary Australia-wide study that enrolls women who are currently pregnant or who have given birth recently (infants up to 12 months of age) in the following categories.

- Women with epilepsy taking antiepileptic medication (AEDs)
- Women with epilepsy not taking AEDs
- Women taking AEDs for allied conditions

Dear Research Nurse

I have recommended the pregnancy register to this patient and she is willing to be contacted.

Name.....**DOB**.....

Address.....

.....

Phone.....

Pregnancy (weeks).....

AEDs (if any).....

.....

Comment if required.....

.....

.....

Yours sincerely
